Declaration of Independence Cir. 2025

In accord with the 1776 unanimous Declaration of Independence

"When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation".

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights that among these are Life, Liberty, and the pursuit of Happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. That whenever any form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly, all experience hath shown, that mankind is more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evidences a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new guards for their future security. Such has been the patient sufferance of these States, and such is now the necessity which constrains them to alter their former system of government. The history of the present Federal Government Corporation is a history of repeated injuries and usurpations, all having in direct intent the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

WE THE PEOPLE, therefore in, Florida General assembly, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of this Free and Independent State in perpetual union, solemnly publish and declare:

That I accept the Constitution of Florida circa 1838 with the caveat circa 2012, and the Constitution for the united States of America with the Bill of Rights including the original 13th Amendment that addresses titles of nobility, and excluding the de facto 13th Amendment and forward.

And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE and LIBERTY.

In God We Trust

Declaration of Sovereign Rights held by Inhabitants Power

In the beginning Almighty God created all men equal; that we are created with Sovereign Rights held by Inhabitants Power and endowed by their Creator with certain Unalienable Rights. A free state is established when one people join together in a common unity to secure their natural God given rights and sovereignty. To secure their sovereignty and right to life, liberty, and pursuit of happiness, governments are instituted among men, deriving their just powers from the consent of the governed; to be exercised by elected officials as surrogate power for the free state.

When surrogate power officials abuse the rights of sovereign Inhabitants power as supreme; a free state inverts into a state which usurps the sovereignty of the people and they become mere subjects of mandatory conformity victims of suppression of natural rights and tyranny. Corrupted surrogate power has no authority of its own therefore; I declare by Almighty God in peaceable One People Assembly:

Jural Covenant Affirmation

I am equal to all men with Sovereign Rights held by Inhabitants Power. I solemnly affirm, I am absolved from all political allegiances foreign to these free and independent united States of America. With a firm reliance on the protection of Divine Providence, and One People assembly; I affirm:

I am local to Florida free State, lawfully settled in Bay County and in order to form a more perfect free state, establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty for our posterity and this free state. I consent to uphold and keep the peace or delegate power of Sovereign Rights held by Inhabitants Power by county in free State constitution for the lawful protections, freedoms, and Rights of the Sovereign people in these free and independent united States of America. In support of this declaration, with a firm reliance on Divine Providence I mutually pledge my life, my fortune and my sacred honor. By signing; my Declaration of Sovereign Rights held by Inhabitants Power; is Supreme.
